MEMORANDUM FOR THE RECORD

In the course of business on 5 January, including the trip to Palm Beach, the following items of business were discussed with the DCI.

6. The DCI requests a graphic rack-up of BRASS KNOB coverage of Cuba since 6 December dealing with two aspects: (a) coverage of priority targets, (b) making a complete mosaic of the island. DCI also requests a recommendation for changing the pattern of overflights in order to satisfy our intelligence requirements and to permit latitude for flights when unusual circumstances call for them. Action to DD/I, DD/R, through COMOR.
